- *Set-up and clean-up for the breakfast

HEALTH & COMMUNITY SERVICES

VISION & HEARING SCREENING – Tuesday, October 20

Becky Gansle (rgansle@bellsouth.net)

We will need volunteers to help with the annual screening of Dolvin children. This is an important event because we find problems in many of the children that would otherwise go unnoticed. You would be trained by the cluster nurse in the vision field and trained by our speech teachers in the hearing portion. It is not a difficult task, however it is valuable.
